The City Clerk's Office provides a service function to the citizens and businesses of Greenwood Village as well as a service-oriented support function to other departments within the Village government. The City Clerk's Office conducts all municipal elections. This office also administers the licensing of liquor, 3.2% beer, special events liquor licenses, and all vending machine licenses in compliance with state statutes, City Code and Regulations.

The City Clerk's Office is responsible for keeping the official records of the Village: retaining permanent documents, preserving archival documents, and indexing minutes to provide legislative history of the Village. This responsibility includes recording documents with the county recorder as required, preserving Ordinances, Resolutions and minutes of Council and Board Commission meetings.

The Village employs a full-time City Manager, appointed by the City Council to oversee the efficient operations of the Village. Nine operational departments report to the City Manager. These departments are:

City Management City Attorney Administrative Services Community Development Finance

Interdepartmental Parks, Trails, and Recreation Police Public Works

Program activities of City Management include planning, directing and coordination of all phases of municipal operations, including assisting all City departments in carrying out existing programs and new City Council decisions and directives; conducting analyses of City programs and administrative operations to determine their efficiency and effectiveness and to determine the value of new procedures and programs.

The City Manager assists the City Council in matters of policy research, assists in identifying areas requiring legislative policy decisions and prepares recommendations on alternate courses of action.

City Programs
Community Outreach
Speakers Bureau

The Finance department prepares and disseminates all Village financial information, including the Comprehensive Annual Financial Report and the Annual Operating and Capital Budget. This department is also responsible for administration and audit of the Village's Sales and Use Tax, Occupational Privilege Tax, and Building Materials Tax. Other accounting matters like accounts payable, accounts receivable and payroll are also handled by this department.

 Commission

The Parks, Trails, and Recreation Department is responsible for maintaining the Village's 21 parks (developed and undeveloped), trails, and many of the Village's right-of-way areas.

One of the main priorities of the City Council is to continue to promote an aggressive policy for the development of non-motorized trails as a means of commuter transportation and general recreational enjoyment.

In addition, all Village-owned parks and athletic fields are maintained such that the facilities have a clean and orderly appearance and provide a safe and healthful environment for the public.

Landscape and turf care is provided for medians, streetscapes, landscaped rights-of-way, and Frontage roads.

This department develops and provides recreation programs, cultural programs and services to the residential and business communities.
